

One day Workshop on SUP free Campus by Green Earth Organisation, Kurukshetra

On 26th August 2023, under the banner of Eco Club, Hindu Kanya Mahavidyalaya, Jind signed a Memorandum of Understanding (MOU) with Green Earth- Organisation for Environment, Health, Safety & Sanitation (Key Resource centre & Sector Partner- GOI, Ministry of Jal Shakti, Dept. of Drinking Water & Sanitation) with an objective to attain & sustain Clean-Green-Pollution free College Campus and protection & conservation of environment. At the outset, Dr. Poonam Mor, Principal along with senior staff members and committee members of Eco Club welcomed Dr. Naresh Bhardwaj & Mrs. Monika Bhardwaj, founders of Green Earth, NGO, Kurukshetra. The duo walked through the College Campus taking Cognizance of waste management system. During their visit, they garnered information regarding the disposal of waste material being produced at the offices, kitchen areas, gardens, play grounds, canteen, store rooms, toilets etc. in particular and disseminated knowledge on how college administration could do better in keeping college clean, green and pollution free in general. This visit was followed by a formal gathering of college students, staff members and support staff of our college being addressed by Dr. Naresh Bhardwaj & Mrs. Monika.

The former, first of all, briefed the objectives & importance of MOU signing between College and NGO, Green Earth. Through Power Point Presentation, he laid stress on the fact how much imperative it had become to take care of our environment. By displaying the umpteen pictures of the garbage dumps, he appealed everyone to come forward and play a seminal role in preserving environment for being a responsible citizen. Earnestly, he requested the college authorities too to ban the usage of polythene bags and disposable articles in the campus. He, thereafter discussed in detail about how to manage dry & wet garbage at home and at the college campus as well. He demonstrated how to deal with different stuffs in the form of garbage like peels of fruits/vegetables, wrappers, newspapers, polybags and so forth. Also, he informed students by saying that they would be provided with certificates of internship after devoting a certain number of hours towards the conservation of environment. He made students vow not to use plastic, polythene bags and disposable articles. Dr. Naresh Bhardwaj's presentation was followed by a concise lecture on the same topic given by Mrs. Monika Bhardwaj. She too laid focus on how to keep environment pollution free. At the end of the programme, an evergreen perennial plant with a beautiful planterette as a token of gratitude was presented to both Dr. Naresh and Mrs. Monika Bhardwaj by Principal madam and Staff members. Mrs. Neelam, Incharge, Eco-club proposed a vote of thanks while concluding the programme.
