<p>The educational managers have been forced to tone themselves for the growth and excellence because of the fast changing scenario in higher education. It is not</p>							

difficult to reach a particular height but to sustain oneself and to keep improving after reaching that height is a big challenge. With best infrastructure, techno friendly ambience, career counseling facility and dedicated staff, the college is surfing ahead by enabling the students to meet life's situations. With strength of around 1900 girl's students, the college is well geared to cater to academic needs of the students of both UG and PG courses. Before the commencement of new academic session, our college receives a detailed academic calendar from the affiliating university related to admissions, examinations and vacations of odd and even semester. IQAC of the college after careful deliberation prepares the academic calendar of the college and is fully operational for strict implementation of curriculum provided by the university. Madam principal timely calls a staff council meeting regarding admission process, teaching plan, time table, fabrication of various committees and societies, organization of major functions so and so forth. With pairing the governing body of college, madam principal appoints efficient faculty against the workload as per government rules and norms. At the beginning of every session there is an orientation program which gives an insight into the entire curriculum, facilities in college, committees, staff introduction, rules and regulations as well as academic calendar. To identify the advanced and slow learners, teachers have personal interaction with students and analyze their previous result and classroom performance. Special attention is paid to meritorious students too, helping them to get places in top student's list of university. Sports and cultural activities are well planned in advance by the incharges. Some workshops are conducted related to cultural programs for growth of participants of different events like singing, dancing and theatre also. Our dedicated staff members establish congenial culture with students and help them out in all ways. Teachers used group discussion method, lecture method, demonstration method and many other methods to cover all topics of the syllabus. Regular revision, oral and written test, assignments, quiz's and other competitions help the students for better understanding of the syllabus. Students are motivated to use internet, ICT tools, YouTube videos, journals, magazines to enhance their knowledge. Students are motivated to participate in inter college, district level, state level, inter university level and national level competitions in every field like academic, cultural and sports activities. The college provides all basic facilities including well-equipped laboratories, well stocked library, multipurpose auditorium, sports facilities and smart classrooms for effective curriculum. NSS and several other committees render social and community services. Adequate funds have been utilized for development, upgradation, and maintenance of college. It is all for an effective atmosphere in the college for motivating the students. The star students of college are honored and given prizes timely. Student satisfaction survey is conducted by IQAC to improve the teaching-learning process.

Students	Yes
Teachers	Yes
Employers	No
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution?
(maximum 500 words)

Feedback Obtained
<p>Feedback is an important part of assessment process and has been described as the most powerful single moderator that enhances achievement. Feedback is valuable when it is received, understood, analyzed and acted on. The institution collects the feedback from different stakeholders such as the students, parents, alumni and teachers. The college conducts surveys for the stakeholders of institute to seek feedback. The process of obtaining feedback results in involvement of relevant stakeholders in building the strategy and plan for the institute. The survey is conducted in two forms online and offline which is based on a structured questionnaire framed and approved by the IQAC of the college. The stakeholder's feedback became an honest perception of students, parents, staff and alumni about themselves, their relationship with college and their expectations from the institute. Respondents were found to be satisfied with many aspects of the institute and have also criticized and given suggestions on how to improve it. Results from student's feedback shows that a large majority of students are satisfied and are likely to recommend others to join this college. Many students have suggested for introduction of more new PG courses. Students want ICT atmosphere such as digital library and smart classrooms. Moreover the students showed their interest for sustainable development in the campus. Result from parents feedback shows that being a girl's institute, our institute is safe and secure for girls. Keeping in view the point of safety, they also want to introduce more PG and many other job oriented courses for their wards. They are satisfied with the various aspects of the college such as teaching-learning, extra-curricular activities, social training and workshops for the growth of girls. Results from alumni feedback confirm their satisfaction towards their experience as a student in college. Alumni of the college want to be associated with college and contribute to its progress. From their feedback we also found that most of them had enjoyed college life as compared to other institutes. Students who are at high positions have also shown their interest in making this college one of the best educational institutions. Results from teaching staff feedback illustrate their job satisfaction. They feel that institute could do more in helping them to pursue higher learning and give them professional development opportunities. They also want that faculty development programs should be organized by college and maximum teachers should be permitted to attend the same in other places. The feedback of respective stakeholders presents a standard picture of our institution on and also gives us points to think over. Based on findings and analysis of the feedback by IQAC, the recommendations and action plans are framed for the next academic session .</p>

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Yes, Our college has a mentoring system where the faculty acts as a link between the students and the institution. A mentor is a teacher acting both as a friend and a role model who supports and encourages a student in her academic and personal growth. The IQAC of our college had taken the initiative of implementing the mentoring of students. Students are categorized based on the streams of studies and also according to their core subjects. They are divided into groups of 40-50 depending on the number of students. Each group is assigned a teacher mentor (Full time and Part time) who would perform mentoring duties. A mentoring format is prepared by the IQAC to ensure uniformity. a) Mentors maintain and update the mentoring format which contains space for entering particulars and performance of students. b) After collecting all necessary information, mentors are expected to offer guidance and counseling as and when required. c) It is the practice of mentors to meet

students once in a week. d) If a student is identified as having weakness in particular subject, it is the duty of the mentor to apprise the concerned subject teacher. e) Mentors communicate with fellow faculty and promote mentees at the time of difficulty/opportunity to help them develop further in their areas of interest. The Institution practice of mentoring system has considerably enhanced the campus environment and brought about:- a) Enhanced contact hours between mentors with their respective students. b) Improvement in student's attendance records. c) Students have shown outstanding performance in sports tournaments. d) Students have also shown outstanding performance in cultural activities including youth festivals.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Being an affiliated college, internal evaluation system is as per the guidelines issued by the affiliating University i.e. C.R.S.U., Jind. In each course (Subject/ Paper), internal assessment weightage is 20 percent of the total marks and is awarded on the basis of class tests, class attendance, assignment work as well as general behaviour of the students in the class. The criterion for the internal assessment is displayed on the departmental notice board. The mentors also make the students aware of their duties and responsibilities and motivate them to score high in internal assessment as this will add value to their overall academic score. Students having grievances can approach the concerned HOD for timely redressal. They may also approach the Grievance Redressal Cell. This cell scrutinizes the internal assessment awards

submitted by the class incharges and any concerned grievance is brought to the notice of the Principal. It is the responsibility of the Cell to report the cases of biasing, discrimination and non-transparency to the Principal and the same are resolved with the involvement of concerned department. Further whenever result is declared by the university, the subject incharges minutely observe the result and any discrepancy regarding internal assessment is referred to the concerned university department. The students are intimated monthly about their attendance in class and this brings regularity in the class. The record of class tests and assignments is also maintained by the subject incharges. One month before the advent of the final examination, HODs ensure Internal Evaluation awards are submitted to the office. The assignment work given to the students also carries due weightage towards total awards. Punishment and penalties are imposed on the students which remains absent from the assignment tests.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The college is affiliated to the C.R.S. University, Jind and hence the pattern prescribed by the university is strictly followed. University provides academic calendar that specifies the date of commencement and end of the classes for each semester along with its government holidays. IQAC of the college after careful deliberation prepares the academic calendar of the college, in line with the academic calendar received from the C.R.S.U. In this calendar the date of internal examination and other academic activities and cultural/sports fest etc. are decided by IQAC members after making discussions with principal and various activities incharges. Regular Staff meetings are conducted to ensure adherence to the schedule given in academic calendar. Department time table is prepared by each department facilitating the teachers to allot sufficient time for each subject as per workload allotted by the University. This time table is displayed by each department on its department's notice board for students' information and knowledge. The college functions and programs are drawn in such a way that there is minimum loss of working days. A work register is maintained by the teachers individually according to the classes taken by them as per the college calendar.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The institution practises decentralized and participative management which is evident in the very design of various committees, societies and cells. It involves all the beneficiaries as well as stakeholders. The governing body is at the top of this design. The principal acts as the head of all administration, examination, students affairs and academic affairs at the institutional level. These affairs are controlled and worked upon further by various committees and incharges. The bursar, head clerk and non teaching staff, other administrative bodies and sub-committees perform their financial and administrative jobs of planning and execution. The Registrar tackles all the examination related task like filling up of forms, internal assessment, spot evaluation, tests and assignments etc. Grievance redressal cell, scholarship committee, Anti Sexual Harassment Cell, Career Counselling Cell, Youth and Cultural Affairs Committee etc all take care of students welfare and problems,. Different academic bodies include and NAAC, IQAC, Library Committee, Magazine Committee undertake the task of boosting academic excellence by planning, analysing and executing different initiative and developmental efforts. Participative Management: The governing body of the college includes staff representatives (teaching and non teaching) who participate in policy and decision making. Head of the departments are given authority to define, plan and supervise the execution of these plans. In the selection process of temporary and part-time staff also, the head of departments act as subject experts. In this way they participate in the selection process. IQAC is an important component of the whole operational system which has Principal as the incharge and various representatives from all the categories of stakeholders act as members. They collectively hold meetings and suggest as well as deploy various committees to fulfill the decisions taken in the IQAC meeting. The committees are framed in the beginning of each session and allocation of responsibilities is made according to the profile of the member so that all may participate in the grand task of welfare of students and bringing the institution at par with the leading educational institutions.

Library, ICT and Physical Infrastructure / Instrumentation

We have a newly built spacious library with a large number of text books, reference books and journals on all the academic subjects being taught in the college, on current affairs, personality development and other topics of general interest. We have fully computerised library with SOUL Version 2.0. We have sufficient infrastructure to accommodate the large number of readers in the library. Our institution has 120 computers with latest requisite softwares and antivirus. We have five computer labs and one smart classroom. All the labs are powered by UPS and inverters to ensure uninterrupted power supply. Staff members use PPT and smart boards for teaching. Campus has an access to Wi-Fi Broadband connection, BSNL with 8 MBPS speed. Physical infrastructure is also updated and renovated from time to time. The large campus of 7.18 acres with lush green parks has 32 classrooms, one seminar hall, 14 laboratories, three classrooms with Wi-Fi access, one canteen, Child Care Centre, Common Room, NSS room, Red Cross room, one auditorium. The management spends generously on upgradation and purchase of new furniture, computers electrical equipments and other necessities as well as accessories.

Research and Development

Institution creates an environment conducive to research and professional development. Faculty members are motivated for research publication in peer reviewed journals with high impact factor. They are encouraged to present papers in International/National/State level seminar, workshops and to act as resource persons. As a result, a number of faculty members attend seminars and do research work in their fields. They are also motivated to organize such seminar at college campus also.

Examination and Evaluation	<p>Hindu Kanya Mahavidyalaya is one of the constituent colleges of CRSU. The semester exams are conducted by the university but held in the college campus. The Registrar makes all the norms and latest updates available and known to faculty members. Examinations are conducted when and as directed by the university. All the faculty members are engaged in examination duties. Staff is deployed at other exam centres also as per university orders.</p> <p>Similarly internal exams like assessment test and other monthly or weekly test are also held at the proper time. Continuous and comprehensive evaluation is undertaken through class tests and assignments. We have a nodal centre here for spot evaluation also.</p> <p>The performance of students is evaluated on the basis of their attendance test, their performance in class and extra care is taken to make the weak students perform better and also to promote the skills of those students who are active in sports or extra curricular activities. We have to give internal assessment out of maximum 20 marks to each student. As such their performance is closely observed and they are motivated to do their best in their fields.</p>
Teaching and Learning	<p>Teaching and learning is the basis of all knowledge and education. Keeping in mind this eternal fact, our faculty keep themselves abreast with latest updates in their own subject and field by attending various seminars, refresher courses, faculty development programmes etc. They use all types of expertise in providing learning in an interesting, educative and in an all-encompassing way. ICT tools, journals, e-content, smart classrooms, extra resources other than books are all used as teaching tools. Same facilities are provided to learners also by giving access to internet facility in campus, organising study tours, workshops and seminars, inviting experts for lectures in particular subject and also about overall development of their personality.</p>
Curriculum Development	<p>The college follows the syllabus designed by Chaudhary Ranbir Singh University. Many of our faculty members are part of Board of Studies for</p>

undergraduate courses, for curricular planning and syllabi design. The faculty tries its best to make the curriculum prescribed most effective by using various resources like ICT tools, giving project work and organizing educational trips to various places. Syllabus is covered fully before the exams and revision is made compulsory.

Human Resource Management

Confidential Performance Appraisals are regularly filled for positive feedback. Recruitments are made on regular, part time or temporary basis as and when required. Salary, increment and promotion of regular teaching and non teaching staff are provided according to UGC and University norms. Faculty members are encouraged to upgrade their performance and knowledge according to the needs of time and changing trends. All leave rules are adhered to as per Haryana government. A congenial and comfortable environment is provided to the teachers as well as to the students to maintain sustainability. An open door policy for feedback is followed and grievance redressal is done promptly. Maintenance of Grievance Redressal Cell, Anti ragging Committee, Anti Sexual Harassment Committee is made mandatory. Add-on courses are available for the development of students. Mentorship of students by faculty members is an integral part of entire education policy. We have a Personal Counselling Cell also to resolve personal issues of students.

Helps mentees to identify their goals and offer empowerment and encouragement to achieve their goals. 4. To establish Mentor as a role model for attaining academic goals and life skills 5. To monitor their over all progress in academic and extra curricular activities including attendance and take a serious note of their digressions. The Context:- The college caters to economically poor students who are from rural area. There is absence of mentoring, guidance and counseling in the region. The responsibility lies on college to provide the same and help them attain their academic and life goals. The practice:-

- Mentoring session is conducted every Friday from 1.00 P.M. to 1.30 P.M. on regular basis. It is compulsory for all students to attend this session.
- Mentees are divided into group of 40-60 students. Each group is headed by a permanent regular teacher and a part - time teacher for the complete academic session.
- Mentors maintain a complete record of academic and extra curricular activities.
- They also maintain record of the attendance of the students. If students remain absent for more than 7 days they contact the parents of the students.
- Merit record and awards won by students are also kept in record by the mentors.
- If students commit any indisciplinary action, the mentor takes cognizance of the matter and puts that also in record.
- The mentor signs the leave record of the students.
- The mentor helps the student to solve his problems academically as well as his personal problems.
- A register is maintained by the Mentor in which the family details of the mentee and other details are recorded.
- The Principal and the Vice-Principal monitor the activities of all the mentors.

Evidence of success:-

- Improvement in the attendance of the students.
- It is easy to trace slow learners and students who are regularly absent from the class.
- Direct contact between the Mentor and the Mentees has instilled confidence and provides a congenial environment in the campus.

Problems encountered and resources required:-

- To make smaller groups feasible part-time teachers have also been deputed as co-mentors.
- More recruitment of permanent teachers is required.

Best Practice 2:- Over all holistic development of students through participation in departmental activities and societies. Objectives:-

1. Co-curricular activities are a very important and essential part of educational system.
2. It helps them to discover their interests and talents.
3. Develops in them values and competencies that will prepare them for a rapidly changing world such as, leadership, honesty, sportsmanship and mutual respect.
4. Prepares them academically, intellectually, emotionally, spiritually, physically and socially to face the world.

The Context:- The vision of the college is to churn out empowered girls who are able to play leadership roles, As majority of students are from rural background they do not get access to many avenues to development of their personality. Extra-curricular activities conducted by all the departments of college develops various skills such as effective communication, critical thinking, integration and application of knowledge. It develops sense of values and ethics with in diverse, cultural, social and environmental setting. It enables the students to express themselves freely. It guides them to organize and present an activity. The Practice:-

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The college started with a vision to provide quality education to women and equip them with means to compete with the fast changing and competitive world. In order to digitally empower girls of the college it was decided that under the scheme of Pradhan Mantri Gramin Digital Saksharta Abhiyan (PMDISHA) a month and half long training programme be organized in our college campus with coordination from Sh. Vivek Kaushik, Supervisor-CSC of DRDA Jind and his team members from 1st Feb., 2019 to 15th March, 2019 to make the participants digitally empowered. In this training programme. Participants were trained to operate computer and other digital devices (like tablet , smart phone) to send and receive email, browsing, accessing government e-services and digital payments. On the last day, online assessment was held for all the participants. Each participant was issued an E-certificate under PM-DISHA. The 10days workshop was conducted in batches to accommodate 1300 students, teaching and non teaching staff. After completion of training programme, a one-day workshop was organized by students who participated in this training programme to digitally empower all remaining staff and students.
