

Census Committee
Hindu Kanya Mahavidyalaya, Jind
Event: Self-Enumeration Awareness Campaign
16th to 30th April, 2026

The College Census Committee launched the Self-Enumeration Awareness Campaign under the chairmanship of college Principal Dr. Poonam Mor, which run continuously from April 16th to April 30th, 2026. The objective of this campaign was to make the public, especially female students, aware of the importance and process of self-enumeration in the census. On this occasion, the Principal stated in her address that the census is the cornerstone of the country's development and the active participation of every citizen is essential. Through self-enumeration, citizens can enter their own information, making the process more transparent and accessible. Dr. Neelam Rani, Nodal Officer of the Census Committee, informed that various awareness programs, such as seminars and workshops will be organized as part of this campaign. She appealed to the students to conduct self-enumeration themselves and encourage their families and communities to do the same. Program co-conveners Dr. Sushma Garg and Mrs. Arti Saini stated that by adopting the self-enumeration process, we can not only save time but also make a significant contribution to the preparation of accurate national statistics. They urged everyone to actively participate in this campaign and contribute to raising public awareness. College students enthusiastically participated in the campaign and pledged to disseminate census-related information to the public. Finally, everyone was encouraged to actively participate in the self-enumeration process.
