Internship Cell

Hindu Kanya Mahavidyalaya, Jind

Event: Expert Lecture on the topic 'Emerging Computer Courses: Digital Marketing, Content Writing, Video Editing and Website Development'

3rd April, 2025

On April 3rd, 2025 the Internship Cell of Hindu Kanya Mahavidyalaya, Jind organized an Expert Lecture on the topic 'Emerging Computer Courses: Digital Marketing, Content Writing, Video Editing and Website Development'. The program was presided over by the principal of the college Dr. Poonam Mor. The event Organizer, Dr. Upasana stated that the primary objective of this lecture was to familiarize students with modern digital technologies and professional skills. In today's competitive era, knowledge of digital technology not only opens up employment opportunities but also plays a crucial role in self-reliance. This program was conducted under a Memorandum of Understanding (MoU) with A W Metaverse Private Limited. The director of A W Metaverse Private Limited, Mr. Rakesh, participated as the keynote speaker, while Mr. Sumit contributed as an editing expert. They shared valuable insights on the relevance of emerging computer courses in the digital age and career opportunities associated with them. They elaborated on subjects such as Web Designing, Graphic Designing, Digital Marketing, Data Analytics, MIS Executive roles, and Software Development. The successful execution of this event was made possible by the dedicated efforts of co-coordinators Mrs. Rekha Saini, Dr. Geeta Gupta, Mrs. Anjali Gupta, and Mrs. Anju. At the conclusion of the event, Dr. Poonam Mor, the college Principal, expressed gratitude to all the guests and encouraged students to pursue technical training in such fields. She also congratulated all members of the Internship Cell for the successful organization of the program. A large number of students actively participated in the lecture and gained valuable insights into emerging digital skills.
