A., Bachelor of Arts with Major in Mathematics students reached the college. Parents of the students interacted with the teachers according to the subjects of the students and got information about their children. Parents of the students also gave some of their suggestions during the meeting. The Principal of the college Dr. Poonam Mor ji while addressing the parents said that your daughters are our daughters, whose responsibility of care and educational development is on our shoulders. Students spend their time in college after family, so our efforts are always to connect the lives of the students with sanskars and moral values. Apart from this, the responsibility of their good education is also ours. If the parents also contribute in this and visit the college from time to time to know about their children's activities, it will boost the morale of them and at the same time they will be able to balance themselves from the atmosphere of materialism. Thereafter, program coordinator Dr. Keauty welcomed all the parents. Co-coordinator of the program Dr. Sushma Garg ji thanked everyone. Other members of PTM committee, Mrs. Ranjana Garg, Mrs. Shivani and Mrs. Kirti also handled all the arrangements very well. Thus, this work of PTM was completed successfully.
