Report of the Event

An Extension Lecture was organized under the joint aegis of the Department of Physics, Chemistry, Computer Science and Alumni Association of Hindu Kanya Mahavidyalaya, Jind the topic of which was 'How to Pass the UGC NET Exam' On 7th December, 2023. The program was presided over by the Principal of the college, Dr. Poonam Mor and conducted by Mrs. Sunita. At the beginning of this lecture, Mrs. Sunita, Head of the Department of Computer Science, welcomed the Principal Dr. Poonam Mor and other professors and said that the purpose of this speech is to prepare the students for the 'National Eligibility Test' and to clear their doubts in this regard. The speaker of this program was Mrs. Seema Rani, who was an alumna of this college and is currently pursuing Ph.D. in Computer Science at Guru Jambheshwar University, Hisar. Mrs. Seema Rani told that in-depth study and clarity of concepts are the main keys to succeed in the exam. She said that along with hard work, we should also do special study so that we can achieve our set goal in the right direction. Mrs. Seema Rani also told that we should study our specific subject in depth. She also gave detailed information to the students about the Junior Research Fellowship Examination. On this occasion, Dr. Rachna Dalal from the Department of Public Administration, Mrs. Jyoti from the Department of Chemistry and Mrs. Sunita and Mrs. Ritu from the Department of Computer Science were present. 60 students participated in this extension lecture. President of the governing body of our college Dr. Anshul Singla ji and other members congratulated the organizing team for the successful conduct of this programme and encourage the students to participate in this type of lectures in future also.
