Hindu Kanya Mahavidyalaya, Jind
Event: Workshop on 'Intellectual Property Rights'
20th April, 2024

On April 20th, 2024 a one-day workshop was organized by the Computer Science Department of Hindu Kanya Mahavidyalaya, Jind. The topic of which was 'Intellectual Property Rights'. The workshop was organized under the leadership of Associate Professor of Commerce Department, Mrs. Rekha Saini. This workshop was organized by Mrs. Shivani, Assistant Professor, Department of Computer Science. The Resource Person of this workshop was Mrs. Manvi Dutta, who is working as Assistant Professor in the Law Department at JECRC University, Jaipur. In this workshop, Mrs. Manvi Dutt informed the students about intellectual property rights with the help of PPT. She told the students how we can show our right over our object. She told the students that if we take rights over any property or object, then no other person can use it without our consent. She told the students about various types of property, in which pen, furniture, movable property, dress, building and land were prominent. Along with this, she also informed the students about the behaviour of intellectual property. She told the students that intellectual property arises in the human mind itself. Some of these intellectual properties are patented and some are not. She told the students that the time period of intellectual properties is different for different things. She told that if we use someone else's used object or property, then we need copyright for that. Without copyright, we cannot use an object made by someone else. Giving the example of Hindi cinema, she gave detailed information about copyright to the students. She told the students that if we take a patent of any item, then no one else can make, use or sell that item without our permission. She also gave information about trademark to the students. She said that the symbol on the item which we buy is called

trademark. She told that trademark can be a sign, letter, picture, drawing shape or shade colour. She told the students about the different types of trademarks. She also gave information about service mark. She told that there is certification trademark on food items too which tells us that the thing we are eating is completely right for our health. Along with this, she also told that there is ISI mark on jewellery. President of the Managing Committee of the college, Dr. Anshul Singla and Principal Dr. Punam Mor congratulated the Computer Science Department for successfully organizing the workshop. In this workshop, Mrs. Ritu, Mrs. Nischal and Ms. Surbhi from Computer Science Department and Dr. Monika from Commerce Department were present.
