Event: Workshop for Students on 'Learning Management System'
28th April, 2026

A one-day workshop on the topic 'Learning Management System (LMS)' was organized for students on April 28th, 2026 at Hindu Kanya Mahavidyalaya, Jind. The workshop was conducted under the joint aegis of the Internal Quality Assurance Cell and the Department of Computer Science. The main objective of the program was to familiarize students with modern digital learning technologies and to make the learning process more effective through the use of a Learning Management System. On this occasion, Mrs. Shivani from the Department of Computer Science provided detailed information about the Learning Management System. She explained how students can access online study materials, submit assignments and establish better communication with teachers through LMS. She also demonstrated various features of LMS through a live demo, including online materials, classroom interaction, group activities and digital learning tools. This generated great enthusiasm among the students. Dr. Geeta Gupta, Coordinator of IQAC, encouraged students to adopt new technologies. The Principal of the college, Dr. Poonam Mor emphasized that such workshops are the need of the hour and highlighted their importance in the overall development of students. Around 63 students participated in the workshop and had their queries regarding LMS. Mrs. Sunita, Mrs. Ritu and Ms. Surbhi were also actively present during the event.
