## **Report of the Event**

On 28<sup>th</sup> February, 2024 an extension lecture was organized under the joint aegis of the Department of Computer Science and Alumni Association of Hindu Kanya Mahavidyalaya, Jind the topic of which was 'How to Crack Competitive Exams'. This program was presided over by the Principal of the college Dr. Punam Mor and conducted by Dr. Keauty. At the beginning of this lecture, Mrs. Sunita, Assistant Professor of Computer Science welcomed Principal Madam Dr. Punam Mor and other teachers and said that the purpose of this lecture is to prepare the students for various types of competitive examinations and to clear the doubts in their mind. The speaker of this program was Mrs. Jyoti, an alumni of this college who has passed 'Haryana Teacher Eligibility Test' and 'National Eligibility Test'. Mrs. Jyoti told the students that we should not focus on imaginary things and focus on our goals in a smart way. She told how we can pass any competitive exam with the help of tricks and tips. She told that first of all we should check the pattern of any competitive exam, after that we should make our time table and start studying keeping our goal in mind. She told the students that we should revise our syllabus every day and if we feel difficulty in any subject then we should prepare proper notes for it. We should keep in mind the current happenings every day. She told the students that we should put more emphasis on our mind so that we can easily clear our doubts. She said that we can easily solve any of our problems with the help of Google, AI and Chat GPT. She told that we should revise the syllabus every day and give mock tests so that all the shortcomings of our syllabus can be removed and also our exam related fear can be removed. She told the students that we should prepare general knowledge with the help of graphs because the syllabus memorized with the help of graphs is always remembered. She told the students that to pass any competitive examination, repeating the syllabus and taking mock tests is a panacea. She told the students that we can make our preparation more successful by taking the help of question papers of last year's examinations to prepare the syllabus. On this occasion, Mrs. Shivani, Mrs. Ritu, Mrs. Vinny and Ms. Surbhi from the Department of Computer Science, Dr. Niketa Sharma, Mrs. Aarti from the Department of Mathematics, Dr. Rachna Dalal from the Department of Public Administration were present. About 45 students participated in this extension lecture.
