**Event: Three-Day Training Program on 'Building Employable**  
**Skills: AI and Leadership Training'**  
**24<sup>th</sup> February, 2025 to 26<sup>th</sup> February, 2025**

The Career Counselling & Placement Cell and Department of Computer Science of Hindu Kanya Mahavidyalaya, Jind organized a three-day training program titled 'Building Employable Skills: AI and Leadership Training' scheduled from February 24<sup>th</sup> to 26<sup>th</sup>, 2025. This program was being conducted in a blended mode and is sponsored by the NASSCOM Foundation.

Mrs. Ritu from the Computer Science Department opened the event by welcoming the technical head of the program, Ms. Aashi Agarwal Mittal, Director of E-train Education Pvt. Ltd. During the training sessions, Ms. Mittal addressed a range of critical topics, including Artificial Intelligence, Machine Learning, Big Data Analysis, Deep Learning, Database Management for Data Science, Internet of Things, Cloud Computing, and Cyber Security. The resource person emphasized that modern companies prioritize practical skills in their employees rather than merely eye-catching qualification the project leader, provided insights into both soft and hard skills that are essential for the contemporary job market. Additional contributions were made by project managers Ashmita Jha, Simran Chaudhary, Rahul Bedi, and Sagar Verma, who shared their perspectives on employable skills, particularly in the AI sector.

The college principal, Dr. Punam Mor extended her congratulations to all participating students, highlighting that we are currently in an AI era, which presents significant opportunities for employability through the cultivation of leadership skills. The program convenor and in-charge of the Career Counselling and Placement Cell, Mrs. Kranti, expressed her gratitude to the NASSCOM Foundation team as well as the college's organizing team for their support.

Mrs. Ritu, Mrs. Nischal, Ms. Surbhi, Dr. Rachana, Mrs. Pooja Mrs. Jyoti, and Mrs. Sashi also made substantial contributions to the success of this event. On 26th February, 2025 an online examination was conducted for the participating students and successful candidates was given certificates from the NASSCOM Foundation.

The college management commended the organizing team for their efforts in orchestrating such a beneficial event. This training program is a significant step towards empowering students with the necessary skills to thrive in the competitive job market.
