Department of Computer Science
Hindu Kanya Mahavidyalaya, Jind
Event: Workshop on 'How to Install/Connect Hardware to a Computer System'
16th April, 2025

On April 16th, 2025 a workshop was organized by the department of Computer Science of Hindu Kanya Mahavidyalaya, Jind. The workshop was chaired by the Principal of the college, Dr. Poonam Mor and conducted by the Assistant Professor of Computer Science Department, Mrs. Shivani Garg. The role of the keynote speaker in this workshop was played by the Assistant Professor of Computer Science Department, Mrs. Sunita. In this workshop, the students were given practical training to install hardware components in the computer system. In the workshop, Mrs. Sunita taught the students how to install hardware components such as CPU, motherboard, RAM, storage device, power supply and graphics card. The participants also gained information about the tools and techniques required to install hardware components. During the workshop, the students did practical exercises to install hardware components and cleared their doubts by asking questions. At the end of the workshop, the students shared their experiences and expressed their gratitude to the Computer Science Department for enhancing their understanding of hardware installation.

The aim of the workshop was to provide practical knowledge about computer hardware installation to the participants so that they can upgrade and repair their computer systems. The workshop provided the students with an opportunity to improve their technical skills and learn more about computer hardware. About 32 students participated in this workshop. In this program, Mrs. Kranti, in-charge of the Computer Science Department played a key role and Mrs. Ritu, Mrs. Nischal and Miss Surbhi made important contributions. Dr. Anshul Singla, president of the managing committee of the college and other members congratulated the participants for this important workshop and said that similar workshops will be organized in the future as well.
