

COMPUTER SCIENCE

Session (2020-21)

The Computer Science Department started in 2009. Computer Science as an elective subject is taught in B.A. and B.Sc. There is also an add-on course in Information Technology (IT) in our college.

Striking the delicate balance between theory and practical, the Computer Science Department of Hindu Kanya Mahavidyalaya provides a well-rounded education through innovative methods to meet the needs of our students. Computer Science Department has a unique blend of faculty and facilities that offers students a rare opportunity to learn Computer Science in new collaborative ways. We have Computer Science society which focuses on imparting the knowledge of computers to our students and help them nourish their personalities using different types of activities i.e., by engaging them in the seminar, presentations, workshops and group discussion etc. We have worked on arranging various workshops frequently for the students to keep them up to date in this advanced era of technology.

We focus on not only completing the syllabus but also enhancing their knowledge of technology. We encourage the students to participate in State and National Level Competitions.

Activities organized by Department

Our department organized various activities during the session 2020-21. The details are as follows-

1. Computer Science Department Organized "State-Level Online Poster Making Competition" from 1st February 2021 to 10th February 2021. Many students from different colleges participated in it.

Event	No. of Students Participated	Name of Students	College Name	Position
State-Level Online Poster Making Competition	26	Namrata	Vaish Arya Kanya Mahavidyalaya, Bahadurgarh	1st
		Shivani	Dev Samaj College for Girls Ambala City	2nd
		Pallavi	DAV College For Girls Yamuna Nagar	3rd

2. We organized a “National-Level Online Advertisement Making Competition” on “COVID Vaccination” and “Mask and Sanitizer” from 21st June 2021 to 30th June 2021.

Event	No. of Students Participated	Name of Students	College Name	Position
National-Level Online Advertisement Making Competition	17	Tara Pantha	K.L. Mehta Dayanand College for Women, Faridabad	1st
		Simran	I.B. PG College, Panipat	2nd
		Mansha Behl	K.L. Mehta Dayanand College for Women, Faridabad	3rd

3. Apart from these competitions, we organized a free 7-Days online Workshop on “Web Designing Certification Course” from 21st June 2021 to 27th June 2021. The lectures were delivered by Mr. Ajay Kumar who is currently working as Web Designer at SUPER MANAGER. ACC Miravej 9 7100 Vejle Denmark. 68 students from various colleges participated in this workshop. We also organized a Web Page Designing Competition after this workshop so that students can learn how to create an interactive website using HTML, CSS and Javascript.

The department also plays a significant role in other departments like department of art, department of science and department of commerce by extending a supportive hand towards various tasks organizations for them like arranging seminars and other ICT facilities required for conducting their activities done by the department during session 2020-21.
