**Hindu Kanya Mahavidyalaya, Jind**  
**Event: Drug-Free India Campaign: Oath Ceremony Program**  
**13<sup>th</sup> August, 2025**

On 13<sup>th</sup> August 2025, an oath ceremony program against drugs was organized in the seminar hall of Hindu Kanya Mahavidyalaya under the Anti-Drugs Awareness Cell as part of the Drug-Free India Campaign. The program was conducted by Dr. Seema Dalal.

During the program, the principal, staff members, and all the students took an oath against drug use. Through this oath, everyone pledged to stay aware of the harmful effects of drugs and to fight against drug abuse. The total number of participants in the program was 230, which included 200 students and 30 staff members.

At the end of the oath ceremony, the principal explained the importance of staying drug-free and made the students aware of its harmful effects. She urged the students to stay away from drugs and move forward in life in a positive direction. The purpose of this program was to make students aware of the harmful effects of drugs and to inspire them to remain drug-free. The program organized by the Anti-Drugs Awareness Cell took an important step toward creating a drug-free environment in the college.

The in-charge of the Anti-Drugs Awareness Cell, Dr. Seema Dalal, and her team deserve congratulations for the successful organization of the program. Through this program, the college contributed to the Drug-Free India Campaign and encouraged students to fight against drug use. Similar programs should continue to be organized by the college in the future so that students can be made aware of the harmful effects of drugs and inspired to live a drug-free life.
