**Event: A Step towards Humanity: Water Bowls for Birds**  
**18<sup>th</sup> May, 2024**

On 18<sup>th</sup> May, 2024 Eco and Energy Conservation Club of Hindu Kanya Mahavidyalaya, Jind organized a program to install bowls for birds in the premises of the college. The program was presided over by the principal of the college, Dr. Punam Mor and conducted by the in-charge of Eco and Energy Conservation Club, Mrs. Neelam. The students of Eco and Energy Conservation Club installed 50 bowls for the arrangement of food and water for the birds. Fifty students participated in this program with great enthusiasm. The honourable Principal of the College Dr. Punam Mor said that in summer season especially in the present scenario when the temperature is very high due to climate change, in such a situation, it is our duty to fulfill our responsibility by making proper arrangements of food and water for the birds so that the birds roaming in the open sky can get relief. On this occasion, the presence of Eco and Energy Conservation Club members Dr. Neelam Rani, Dr. Rashmi and Dr. Anshu Sailpar was dignified. The president of the college management committee, Dr. Anshul Singla ji and other members congratulated Eco and Energy Conservation Club in-charge Mrs. Neelam and other members for their commendable efforts and also encouraged the students to join such programs in future also.
