**Event: Extension Lecture on 'Save Water, Save Earth'**  
**on**  
**World Water Day**  
**21<sup>st</sup> March, 2024**

On the occasion of World Water Day on March 21<sup>st</sup>, 2024 an extension lecture was organized by the Eco and Energy Conservation Club at Hindu Kanya Mahavidyalaya, Jind on the topic 'Save Water, Save Earth'. The program was presided over by the Principal of the college, Dr. Punam Mor and conducted by Mrs. Neelam, in-charge of Eco and Energy Conservation Club. Mrs. Ranjana, assistant professor of Geography Department of Hindu Kanya Mahavidyalaya, Jind played the role of keynote speaker in this program. Explaining the importance of water to the students, Mrs. Ranjana said that water is one of the most important resources on earth. We need a lot of water in our daily lives but we waste water in these daily tasks. Now we need to understand this problem. The government of our country is also making many efforts for water conservation. Unless we understand our responsibility as a good citizen, we will not be able to get rid of this problem. Along with this, Ranjana Madam also said that we can contribute to water conservation by adopting small measures like using less water while washing hands, cleaning vehicles with less water and getting the leakage in our homes fixed etc. The students participated in this program with great enthusiasm. On this occasion, Dr. Seema Dalal, Dr. Anshu Sailpar, Mrs. Shivani, Mrs. Ritu and Mrs. Jyoti were especially present. President of the Governing Body, Dr. Anshul Singla Ji and other members congratulated the in-charge of Eco and Energy Conservation Club, Mrs. Neelam and other members for their commendable efforts and also encouraged the students to attend such programmes in future also.

**हिंदू कॉलेज में जल बचाओ पृथ्वी बचाओ विषय पर एक्सटेंशन लेक्चर**

जींद | हिंदू कन्या महाविद्यालय में विश्व जल दिवस पर 'जल बचाओ पृथ्वी बचाओ' विषय पर एक एक्सटेंशन लेक्चर का आयोजन किया गया। हिंदू कन्या महाविद्यालय जींद की भूगोल विभाग की प्राध्यापिका रंजना ने इस कार्यक्रम में मुख्य वक्ता की भूमिका निभाई। रंजना ने छात्रों को जल का महत्व समझाते हुए कहा कि जल पृथ्वी पर सबसे महत्वपूर्ण संसाधनों में से एक है। हमें अपने दैनिक जीवन में पानी की बहुत आवश्यकता होती है लेकिन इन दैनिक कार्यों में हम पानी को व्यर्थ कर देते हैं। अब इस समस्या को हमें समझने की जरूरत है। हमारे देश की सरकार भी जल संरक्षण के लिए अनेक प्रयास कर रही है।
