# Report

The Department of Economics and Entrepreneurship Development Cell of Hindu Kanya Mahavidyalaya, Jind jointly organized a one-day workshop on 'Basics of Research Methodology and Statistical Analysis using SPSS' on 12th March, 2024. The objective of this workshop was to develop research culture among students, which is essential for the growth and development of nation.

Dr. Suraj Walia, Head, Department of Economics, R. K. S. D. College, Kaithal acted as a key note speaker in the first session of the workshop and the topic of his discussion was "Basics of Research Methodology". Dr. Suraj emphasized the need for outcome-based research in India, which means the research should have practical implications and contribute to the development of society. He also talked about the importance of ethics in research and how researchers must ensure the safety and confidentiality of their participants. Moreover, Dr. Walia gave a outline of all types of research with special emphasis on qualitative and quantitative research. He also discussed the steps involved in research process with students. He advised the students to be critical thinkers and always question the findings of the research.

In the second technical session, Dr. Ritu Walia acted as a resource person and the topic of her discussion was

'Statistical analysis using SPSS'. She discussed various statistical tools such as Measures of Central tendency (Mean, Mode, Median), Correlation analysis and Regression Analysis. She said that there are various software's available for statistical analysis e.g. E- Views, R- Square, Stata etc. but SPSS is widely used in research. She gave a demonstration of all statistical tools in SPSS. she told students about how to import data file in SPSS, how to analyse the data along-with the interpretation of statistical results.

Dr. Priyanka Sahni coordinator of this workshop proposed a welcome address and vote of thanks to the esteemed resource persons. In the last phase of the workshop, Dr. Punam Mor, honourable madam principal of the college also proposed vote of thanks to the dignitaries and honoured Professor Dr. Suraj Walia and Dr. Ritu Walia by presenting them a sapling and memento as a token of love and Appreciation. A total of eighty students from different classes actively participated in the workshop and gained valuable insights on Research Methodology and use of SPSS. Overall, the one-day workshop on 'Basics of Research Methodology and Statistical Analysis using SPSS' proved to be a beneficial and informative session for the students. Honourable Madam Principal, Dr. Punam Mor congratulated Dr. Priyanka Sahni, In-charge, Department of Economics and EDC for the successful organization of the workshop.
