

## Geography Department Annual Report of Geography 2023-24

The Geography Department was started in 2015 with courses like B.A. Geography and B.Sc. Geography, striking the delicate balance between theory and practical. The Geography Department of HKMV, Jind provides a well-rounded education to the students. We focus not only on completing the syllabus but also enhancing the knowledge of students by organising various activities, we also encourage the students to participate in various co-curricular activities.
