Event: Door-to-Door Awareness Campaign on 'Finiteness of Resources'
28th February, 2026

The Department of Geography of Hindu Kanya Mahavidyalaya, Jind conducted a Door-to-Door Awareness Campaign on Finiteness of Resources in Haibatpur village on February 28th, 2026. The program was chaired by the principal of the college Dr. Poonam Mor and conducted by Mrs. Ranjana and Mrs. Rajni, teachers of the Geography department. On this occasion Dr. Poonam Mor said that Human consumption and commercialization are increasing pressure on natural resources. Experts say that Earth's resources are not infinite and require sustainable use for future generations. Prime Minister Narendra Modi inaugurated the 'Infinity Campus', the new headquarters of Skyroute Aerospace in Hyderabad in 2025, a commendable step toward conserving resources and strengthening the ecosystem. The students of the Geography department furthered this effort, urging the Haibatpur villagers to reduce the increasing pressure on resources. They also explained that to protect natural resources, we need to live in harmony with nature and utilize them to their full potential to ensure the future of future generations. 31 students enthusiastically participated in this program. Dr. Poonam Mor, principal of the college commended the faculty and students of the Geography Department for the successful organization of this campaign.
