Geography Department Hindu Kanya Mahavidyalaya, Jind Event: Awareness Rally on the topic of 'Health and Nutrition' 29th March, 2024

The Geography Department of Hindu Kanya Mahavidyalaya, Jind organized an Awareness Rally on the topic of 'Health and Nutrition' in Khokhri village on 29th March, 2024. This awareness rally was organized under the chairmanship of the principal of the college, Dr. Punam Mor. This campaign was conducted by the teachers of the Geography Department, Mrs. Ranjana Garg, Dr. Munni Jaglan and Mrs. Rajni. Incharge of the Geography Department, Mrs. Ranjana Garg said that nowadays due to the increasing prevalence of junk food or fast food, many types of problems arise in the body. Fast food has made its important place in today's busy lifestyle. Fast food is a food item which is very oily and high in calories. The amount of nutrients in it is very low. Mrs. Ranjana Garg also told that high amounts of sugar, salt, saturated fat and high calories are found in fast food, due to which many health problems arise in our body. If we want to stay healthy, then we have to adopt a nutritious diet. Through slogans, the students of Geography gave the message of consuming pure vegetarian and nutritious food to the people. The students made people aware by raising slogans like "As is the diet, so will be the thoughts", "Home food is like Amrit". Appreciating the efforts of the students, the Sarpanch of the village, Mrs. Sunita Rani, praised the college administration and also honored them with a letter of appreciation.
