

Department of Geography & Career Counselling and Placement Cell
Hindu Kanya Mahavidyalaya, Jind
Event: Seminar on 'Mapping Geospatial Career Paths:
Opportunities in GIS & Geography Informative Technology'
7th March, 2025

On 7th March, 2025 the Department of Geography and Career Counselling and Placement Cell of Hindu Kanya Mahavidyalaya, Jind organized a one-day seminar titled 'Mapping Geospatial Career Paths: Opportunities in GIS & Geography Informative Technology', which was sponsored by the Skyline Institute of Jio-Informatics Institute. The seminar began with the inaugural address of Dr. Sushma Garg from Career Counselling and Placement Cell, who welcomed the college principal Dr. Punam Mor and the keynote speaker, Dr. Ravindra Nath Tiwari, in -charge, Skyline Institute. Mr. Tiwari gave a very important lecture on various career occasions in the geophysics region, in which he highlighted the transformative role of the geographical system in various sectors, such as urban planning, environmental and disaster management. He explained the availability and need of the latest applications of GIS's major components such as remote sensing, satellite imagery analysis, digital image processing, and GIS web and unmanned Air Vehicles (UAVs). His dialogue was helpful in making the students aware of the importance of emerging employment opportunities in these areas. College Principal Dr. Punam Mor congratulated the participating students for their active participation and emphasized the increasing importance of GIS in the current job market. About 75 students benefited from this seminar, which reflects the increasing interest in geopolitical career. Mrs. Ranjana, Mrs. Rajni and Mrs. Arti Saini played an important role in organizing the program. The management committee appreciated the efforts of the students and the team, which proved to be helpful in raising career awareness in the areas of geography and technology.

ONE DAY SEMINAR
on
Mapping Geospatial Career Paths: Opportunities in GIS & Geography Informative Technology
(Sponsored by Skyline Institute of Geo-informatics Ed/Tech)

Topics Covered:

- GIS
- Remote Sensing
- Photogrammetry
- LIDAR
- Python
- Web GIS
- UAV/Drone
- Digital Image Processing

Date: 7th March, 2025
Time: 11:00 A.M.
Venue: Seminar Hall

Mrs. Rajni
(Department of Geography)
