

## **HOME SCIENCE SOCIETY Annual Report (2018-19)**

The Home Science department was established in the year 1981. From the same year, Home Science Society has been organizing different programmes, competitions and activities under the Home Science department for the holistic development of students. Home Science Society provides a great platform to the students to display their knowledge and skill which they have amassed over the years. The main aim of this society is to develop competitive spirit among the students, to assess their potential, use their talent to make them aware about their personal aptitude so that they may get exposure of extra co-curricular activities with study.

Programmes organized by the Home Science Society in the year 2018-19 are as follows:

Home Science Society organized Rakhi Making competition on 25.08.2018 in the college. Under this competition 18 students participated and show cased their talent.
