**with NAAC & Learning Management System (LMS)'**  
**22<sup>nd</sup> April, 2025**

On April 22<sup>nd</sup>, 2025 a one-day workshop focusing on 'Current and Future Scenario of Accreditation with NAAC & Learning Management System (LMS)' was successfully organized by the Internal Quality Assurance Cell (IQAC) of Hindu Kanya Mahavidyalaya, Jind. The event featured Dr. Girdhar Gopal, Assistant Professor in the Computer Science Department at S. D. College, Ambala Cantt. as the chief guest and keynote speaker.

The workshop commenced with a warm welcome extended to Dr. Girdhar by IQAC members, including Dr. Geeta Gupta, the convener of the IQAC. In an initial discussion, Dr. Girdhar engaged with the IQAC members, elaborating on significant quality enhancement initiatives and future plans in line with the National Assessment and Accreditation Council (NAAC) guidelines.

The formal inauguration of the workshop was conducted by College Principal Dr. Poonam Mor, who highlighted the relevance of the workshop topic. Dr. Priyanka Sahni, the co-convener of IQAC, introduced the keynote speaker to the attendees.

During the first session, Dr. Girdhar provided an in-depth discussion about various aspects of LMS, with a particular focus on Moodle. He emphasized the importance of integrating diverse educational methods alongside traditional classroom teaching to cater to the needs of modern students. He advocated for the enrollment of all students on LMS platforms to enhance their learning experience.

In the second session, Dr. Girdhar presented a lecture outlining the current and future landscape under NAAC, carefully examining all ten parameters defined in the new accreditation criteria.

As the workshop concluded, Dr. Geeta Gupta expressed gratitude to all participants in her vote of thanks, while Principal Dr. Poonam Mor and other members honored Dr. Girdhar with a memento acknowledging his valuable contributions. In recognition of his expertise, Dr. Girdhar was appointed as an external member of the IQAC by the college administration.

Following the workshop, Dr. Girdhar toured the college's facilities, including computer laboratories, the library, and smart classrooms, providing essential feedback and recommendations. The workshop brought together not only IQAC members but also other faculty members ensuring a collaborative learning environment for all participants.
