Our Vision

To be a dynamic and progressive centre of knowledge empowering young women with skills, and values in a secure environment to become successful, confident and compassionate leaders in a global society.

Our Mission

Our mission is to provide a learning environment that not only instils a passion for acquiring knowledge, values and skills that equip the girl students to thrive in a dynamic world successfully. Our commitment is towards creating a centre of education that fosters and promotes intellectual yearning, critical thinking and holistic development through innovative teaching methods, experimental learning and mentorship programs. We aim to cultivate passionate learners who are keen to make positive contributions to their communities and society.

Our Ethics

We blend academic excellence with human values. We embrace diversity, collaboration, and personal growth. Our faculty members serve as mentors, guiding students with integrity and empathy. We prioritize ethical conduct and uphold professionalism. Together, we create a nurturing environment where students pursue excellence while embracing values such as respect and compassion. We strive to develop versatile individuals who are academically accomplished and socially responsible.

Principal's Desk

Welcome to Hindu Kanya Mahavidyalaya, Jind, an institution of academic excellence with an extensive vibrant co-curricular environment and tradition of excellence in sports. This has been possible due to combined efforts of Hindu Kanya Mahavidyalaya family.

This institution was established in 1970 for imparting higher education to young women who are a great human resource. Education gives women the power of decision making in the home, community, society and nation. While studying at HKMV, the girls will be groomed to become confident, articulate, and enlightened young citizens, ready to step into global society with dignity, honour and integrity. The college's genuine concern ensures students' emotional growth along with intellectual excellence. We make them immensely capable of facing the future with resilience and optimism. Our institution has almost recorded five decades of constant development. During this time, it has accomplished much, making it one of the best colleges. College students are most promising assets of our college. Our teachers work hard throughout the year to provide them high quality educational experience in the form of debates, group discussion, workshops, seminars and cultural competitions. We believe in giving our students strong values which are the foundation of real success.

Alumni of our college are serving inside and outside the country and they are actual indicators of quality education that is imparted by our college.

I feel proud to acknowledge the support and guidance of management who do all the things for the welfare of students and society. Our highly qualified, dynamic and multi-talented faculty, dedicated non-teaching staff and students continue to move ahead for producing and maintaining the best. Today's India is an empowered, enlightened and enterprising nation. We wish to make it more powerful with smart, confident and conscientious citizens.
