HINDU KANYA MAHAVIDYALAYA

JIND-126102 (HARYANA)
(Affiliated to C.R.S.U., Jind)
(A Post Graduate College Aided by Haryana Govt.)

Ref. No. 5702.....

Dated 4-09-2023.....

Collaboration/ Linkage for Industrial Visit and Training Program

This collaboration/linkage is made and entered into on this 4th day of Sep. 2023, between Hindu Kanya Mahavidyalaya, a college located at Gandhi Nagar, Jind, a Govt. aided college established under the act enacted by Director General Higher Education Haryana represented by its Principal, Dr. Punam Kajal, hereinafter referred to as the "Hindu Kanya Mahavidyalaya" as the "First Party"

And

Haryana Leather Chemicals Ltd., Jind represented by its Deputy General Manager Sh. Deepak Raj, hereinafter referred to as the "Haryana Leather Chemicals" as the "Second Party"

As you are aware, at Hindu Kanya Mahavidyalaya, we are committed to providing our students with a well-rounded education that prepares them for real-world challenges and opportunities. In this pursuit, we believe that industry-academic collaborations play a vital role in bridging the gap between theoretical learning and practical application.

The following is a list of points of collaboration agreed between both of us:

1. **Industrial Visits:** We shall provide the opportunity for our students to visit the premises of Haryana Leather Chemicals. An industrial visit would expose our students to the manufacturing processes, quality control procedures, and overall operations of your factory. This firsthand experience will provide them with insights into the industrial environment and how classroom concepts translate into real-world applications.

2. **Industrial Training:** We shall conduct the implementation of an industrial training program where a selected group of our students can undergo training at your factory. This program would span a specified duration during which students would actively engage in relevant tasks under the guidance of your experienced professionals. This immersive experience would equip them with practical skills and a deeper understanding of the industry.

Benefits of Collaboration:

1. **Enhanced Practical Knowledge:** Students will gain practical insights into leather chemical manufacturing processes, quality standards, and operational methodologies.
2. **Job Opportunities:** Through this collaboration, students may have the opportunity to secure internships or job placements within your organization, thus contributing to their career growth.
3. **Holistic Development:** Exposure to a real industrial setting will foster soft skills such as teamwork, communication, problem-solving, and adaptability.
4. **Mutual Growth:** Your organization can identify potential talent early on and benefit from a skilled and knowledgeable workforce in the long run.

Duration: This collaboration/linkage shall remain in effect for a period of one year, commencing from the date of signing.
