### MoU for Industrial Visit and Training Program

This MoU is made and entered into on this 29...day of April 2024, between Hindu Kanya Mahavidyalaya, a college located at Gandhi Nagar, Jind, a Govt. aided college established under the act enacted by Director General Higher Education Haryana represented by its Principal, Dr. Punam Kajal, hereinafter referred to as the "Hindu Kanya Mahavidyalaya" as the "First Party"

and

Sant Mahavir Jain Trust, Narwana, Jind represented by its President Shri Shamsher Singh Nain hereinafter referred to as the "Sant Mahavir Jain Trust, Narwana, Jind" as the "Second Party" *Registered Training Institute of PMKVY, NSDC, KVIC & MSME Govt. of India*

As you are aware, at Hindu Kanya Mahavidyalaya, we are committed to providing our students with a well-rounded education that prepares them for real-world challenges and opportunities. In this pursuit, we believe that industry-academic collaborations play a vital role in bridging the gap between theoretical learning and practical application.

The following is a list of points of MoU agreed between both of us:

- Industrial Visits:** We shall provide the opportunity for our students to visit the premises of Sant Mahavir Jain Trust, Narwana, Jind. An industrial visit would expose our students to the manufacturing processes, quality control procedures, and overall operations of your related Industrial projects. This firsthand experience will provide them with insights into the industrial environment and how classroom concepts translate into real-world applications.

2. **Industrial Training:** We shall conduct the implementation of an industrial training program where a selected group of our students can undergo training at your industry.

**Benefits of MoU:**

1. **Enhanced Practical Knowledge for self employment:** Students will gain practical insights into manufacturing processes, quality standards, and operational methodologies for future self-employment.
2. **Job Opportunities:** Through this MoU, students may have the opportunity to secure internships or job placements within your organization, thus contributing to their career growth.
3. **Holistic Development:** Exposure to a real industrial setting will foster soft skills such as teamwork, communication, problem-solving, and adaptability.
4. **Mutual Growth:** Your organization can identify potential talent early on and benefit from a skilled and knowledgeable workforce in the long run.

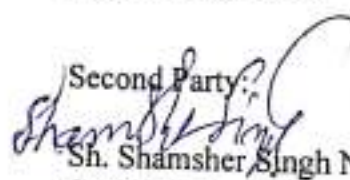

**Duration:** This MoU shall remain in effect for a period of one year, commencing from the date of signing.

We are excited about the prospects of this MoU and the positive impact it can have on our students education and future career prospects. We are open to discussing the specifics of the industrial visit and training program, including schedules, duration, and the number of students involved.
