Report of the Event

A seminar on the topic 'Everything is Hack' was organized by the Department of Mathematics at Hindu Kanya Mahavidyalaya, Jind on 13th February, 2021. This program was presided over by the principal of the college Mrs. Anita Kumari and conducted by Mrs. Anju, assistant professor of Mathematics department. Mr. Neeraj Sharma, who came from Tech Aviator, made the students aware about how to be aware of cybercrime. Mr. Neeraj Sharma ji told that while increasing connectivity across the world is making our lives much easier, its dangers have also increased. Internet hackers hack our emails, bank accounts etc. Hackers can make fake bank calls and withdraw money from our accounts by asking us for our email, message or ATM number. Such people should not give any kind of information over the phone. Neeraj Sharma ji gave information about many software like phishing, hacking software, password crack, social engineering etc. so that we can keep our personal life safe. On this occasion, Principal Madam Mrs. Anita Kumari ji said that today it is very important for us to be aware of technology and such lectures increase our knowledge. The students satisfied their curiosity by asking a lot of questions and their enthusiasm was worth seeing on this occasion. In the end, Mrs. Anju, assistant professor of Mathematics department, thanked everyone. On this occasion, 50 students and Mrs. Neelam, Mrs. Anju, Dr. Priyanka Sahni, Mrs. Kranti, Dr. Punam Kajal, Dr. Anshu Sailpar, Mrs. Pooja, Mrs. Soni, Mrs. Manju, Mrs. Niketa Sharma, Miss Priyanka Goel and Mrs. Sunita were present. President of the management committee of the college, Sh. Anshul Singla Ji and other members congratulated the teachers and students of the department of Mathematics for their commendable work and encouraged the students to participate in such events in future also.
