Report of the Event

The Mathematics department of Hindu Kanya Mahavidyalaya, Jind conducted a 'Door-to-Door Health Awareness Campaign' in Haibatpur village on 13th February, 2024. This program was presided over by the Principal of the college, Dr. Punam Mor and conducted by Mrs. Anju, Assistant Professor of Mathematics. In Haibatpur village, students went door to door and made women aware about health and advised them to take nutritious diet. The students told the women about healthy lifestyle and made them aware about yoga, meditation, regular exercise and taking nutritious and balanced diet. The students told the women that if we want a healthy mind, then first we have to cultivate a healthy body. Along with this, the students also told the pregnant women about the importance of a balanced diet and said that only a healthy mother can give birth to a healthy child. 30 students participated in this door to door health awareness campaign. Dr. Niketa Sharma, Assistant Professor of Mathematics was present on this occasion. Dr. Anshul Singla, president of the governing body of the college and other members of the managing committee encouraged the students and said that we should serve the people selflessly and fulfill our duties towards the society. Principal of the college Dr. Punam Mor also praised the students and teachers of Mathematics department for their commendable work.
