Report of the Event

On 23rd April, 2024, a one-day workshop on the topic 'Intellectual Property Rights' was organized by the Department of Mathematics of Hindu Kanya Mahavidyalaya, Jind. This workshop was chaired by Dr. Upasana, Associate Professor of Commerce and organized by Mrs. Anju, Assistant Professor of Mathematics. In this workshop, the responsibility of conducting the stage was taken over by Mrs. Anjali, teacher of Mathematics Department. The objective of the workshop was to create awareness among students and faculty members about intellectual property rights (IPR) in all the sectors thereby furnishing requisite guidance and proficiency about an assortment of procedures of copyrights, patents, trademarks etc. and application filling. The workshop aims at developing a basic level of IP awareness among the participants and enables them to protect their innovations. The keynote speaker of this workshop was Mrs. Sharmila, who is a former student of Hindu Kanya Mahavidyalaya and is currently working as Assistant Professor in Commerce at Government College, Jind. In this workshop, Mrs. Sharmila informed the students about intellectual property rights. She told the students how we can show our right over our object. She told the students that if we take rights over any property or object, then no other person can use it without our consent. She told the students about the different types of property. Along with this, she also informed the students about the behaviour of intellectual property. She told the students that

intellectual property arises in the human mind itself. Some of these intellectual properties are patented and some are not. She also told the students about the time period of intellectual property. She told that the time period of intellectual property is different for different items, if we use the item or property used by someone else then we need copyright for that. Without copyright we cannot use the item made by someone else. Giving the example of Hindi cinema, she gave detailed information about copyright to the students. She told that if we take the patent of any item, then without our permission nobody else can make, use or sell that item. She also informed the students about trademark. She said that the symbol on the product we buy is called trademark. She told that trademark can be a sign, letter, picture, drawing shape or shade color. She told the students about different types of trademark. She also gave information about service mark. 50 students participated in this workshop. The program was concluded by Dr. Upasana by honoring Mrs. Sharmila by giving her a letter of appreciation. Mrs. Aarti, Dr. Niketa Sharma and Miss Anju Saini from Mathematics Department were present in this workshop. President of the Governing Body of the college Dr. Anshul Singla ji and Principal Dr. Punam Mor ji congratulated the Mathematics Department for successfully organizing the workshop and encouraged the students for participating in this type of workshops in future also.
