Report of the Event

On 30th November, 2023 an Extension Lecture was organized under the joint aegis of the Department of Mathematics and Alumni Association of Hindu Kanya Mahavidyalaya, Jind. The topic of the lecture was 'How to Crack Competitive Examination'. The program was presided over by the Principal of the college, Dr. Punam Mor and conducted by Mrs. Anju, assistant professor of Mathematics. At the beginning of this lecture, Mrs. Anju, while welcoming the Principal Dr. Punam Mor and other teachers, said that the purpose of this lecture is to prepare the students for various types of competitive examinations and to clear their doubts in this context. The speaker of the program was Miss Diksha, who was an alumna of this college and is currently pursuing Ph. D. in Mathematics from M. D. University, Rohtak. Miss Diksha told that continuous practice and clarity of concepts are the main keys to succeed in the competitive examination. She said that along with hard work, we should also do smart work and students should set their goal in advance so that they can work towards achieving it. While encouraging the students, Diksha told that to manage time during exams, students must make a time table for studies. To avoid boredom, breaks must be included in the time table; students should also take a walk during breaks. To avoid distraction while studying, phones and other distracting devices should be kept switched off. On this occasion, Dr. Niketa, Mrs. Aarti, Miss Monika and Miss Madhu from the Mathematics department were present. 100 students participated in this extension lecture. Overall, the extension lecture proved to be a beneficial and informative session for the students. President of the management committee of the college, Dr. Anshul Singla Ji congratulated the teachers of the department of Mathematics and encouraged the students to participate in such lectures in future also.
