**Hindu Kanya Mahavidyalaya, Jind**  
**Event: Tree Plantation**  
**12<sup>th</sup> August, 2024**

To celebrate International Youth Day, One Cadet-One Tree Campaign and Ek Ped Ma Ke Naam Abhiyan, a tree plantation program was organized by N. C. C. wing on 12<sup>th</sup> August, 2024 at Hindu Kanya Mahavidyalaya, Jind. The program was presided over by the principal of the college Dr. Punam Mor and conducted by N. C. C. in-charge Mrs. Anju. Principal Dr. Punam Mor, N. C. C. in-charge Mrs. Anju, member Dr. Keauty and 18 N. C. C. cadets planted trees in the campus of the college. Its main objective was to protect nature by making the earth green and full of beautiful flowers. The principal said that it is very important to plant trees to maintain balance in nature and to keep the environment around us clean. Nature does infinite favors to us through trees, such as providing protection from heat waves and coolness in summer days, etc. Therefore, we should also always protect them. N. C. C. in-charge Mrs. Anju said that the environment is changing drastically, the temperature has increased a lot due to the lack of trees and plants, so we can protect the environment only by planting trees. Trees and plants are capable of controlling the temperature. She also gave a message to the N. C. C. cadets to take care of the plants regularly. The president of the college management committee, Dr. Anshul Singla ji and other members congratulated N. C. C. in-charge Mrs. Anju, Dr. Keauty and N. C. C. cadets for their commendable work.

### प्राकृतिक संतुलन के लिए लगाएं पौधे : प्राचार्य

जिंद। हिंदू कन्या कॉलेज में मंगलवार को एक कैडेट, एक पेड़ अभियान, एक पेड़ मां के नाम और अंतरराष्ट्रीय युवा दिवस मनाने के लिए एनसीसी इकाई ने पौधरोपण किया। कार्यक्रम की अध्यक्षता कॉलेज प्राचार्य डॉ. पुनम मोर ने की, जबकि संचालन एनसीसी प्रभारी अंजु ने किया। डॉ. पुनम मोर ने बताया कि प्राकृतिक संतुलन बनाए रखने तथा अपने आसपास के वातावरण को स्वच्छ बनाए रखने के लिए पेड़-पौधे लगाना जरूरी है। पेड़-पौधों के माध्यम से प्रकृति हम पर अनंत उपकार करती है। एनसीसी प्रभारी अंजु ने कहा कि पर्यावरण में भारी बदलाव हो रहा है। पेड़-पौधों की कमी के कारण तापमान में काफी बढ़ोतरी हो चुकी है, इसलिए पेड़-पौधे लगाकर हम पर्यावरण का संरक्षण कर सकते हैं। संवाद
