Event: 'Tree Plantation' under the campaign 'Greening India's
Wasteland'
17th October, 2025

Following the instructions of the 15 Haryana Battalion NCC, Jind, a Tree Plantation program was organized by the N. C. C. wing of Hindu Kanya Mahavidyalaya, Jind on October 17th, 2025 with the aim of Greening India's Wastelands. The program was presided over by the college's Principal, Dr. Poonam Mor and conducted by N. C. C. in-charge, Mrs. Anju. On this occasion, Principal Dr. Poonam Mor, N. C. C. in-charge, Mrs. Anju, N. C. C. trainer Miss Jyoti and 30 cadets planted saplings in the college campus. The primary objective of this program was to preserve nature by making the earth green and full of beautiful flowers. The Principal explained that planting trees is essential to maintain balance in nature and keep our surroundings clean. Through trees and plants, nature provides us with countless benefits, such as providing protection from the heat and coolness during the summer. Therefore, we must always protect them. N. C. C. in-charge Mrs. Anju said that the environment is undergoing significant changes. Due to a lack of trees, temperature have risen significantly. Therefore, planting trees is the only way to protect the environment. She also encouraged the N. C. C. cadets to regularly care for the plants. College Principal Dr. Poonam Mor congratulated N. C. C. in-charge Mrs. Anju and the cadets for their commendable efforts.
