

Department of Mathematics & N. C. C.
Hindu Kanya Mahavidyalaya, Jind
Event: 'Waste to Art Competition' on the theme 'Refuse: Reuse or
Recycle' on the occasion of Gandhi Jayanti
1st October, 2025

The N. C. C. wing and the department of Mathematics of Hindu Kanya Mahavidyalaya, Jind jointly organized the Swachhotsav to commemorate Gandhi Jayanti on October 1st, 2025. A 'Waste to Art Competition' was organized to mark the occasion. The theme of the competition was 'Refuse: Reuse or Recycle'. The objective of the program was to create awareness about environmentally friendly lifestyles and instil the values of cleanliness, sustainability and environmental responsibility among students and society. The students showcased their creativity and innovative thinking by transforming waste into useful, decorative and reusable items. These artistic models not only showcased their talent but also sent a powerful message about the importance of recycling and reducing waste. Through these activities the students raised awareness about adopting environmentally friendly practices in daily life and taking responsibility for a greener tomorrow. The main objective of celebrating this day was to raise awareness about environmental protection and cleanliness. The program was presided over by the college's Principal, Dr. Punam Mor and conducted by Mrs. Anju, in-charge of the N. C. C. and Mathematics Department. 19 students participated in this competition. They created beautiful creations on this theme. Rimpi, a first-year BCA student won first place, Bhumika, a first-year BCA student won second place, Monika, a third-year BA student, and Monu, a first-year BA student won third place. Mrs. Tanu, Assistant Professor in the Department of Home Science served as the jury for this competition. The students showcased their creative talents with remarkable

enthusiasm. Speaking on the occasion, Dr. Punam Mor, Principal of the college stated that the primary objective of this competition is to foster the creativity and artistic skills of the students and other participants, as well as to assess their awareness and understanding of a particular social, national, or environmental issue. This competition provides individuals with a platform to express their ideas visually, which can inspire social change and promote a strong message. N. C. C. trainer Miss Jyoti and Assistant Professors from the Mathematics Department, Dr. Niketa Sharma, Mrs. Priya Garg, Miss Minakshi and Mrs. Suman were present on this occasion. The program concluded with appreciation for the cadets' efforts in protecting the environment and promoting sustainable lifestyles.
