

N. C. C.
Hindu Kanya Mahavidyalaya, Jind
Event: Awareness Lecture on 'Personal Hygiene and Cervical Cancer'
3rd October, 2025

The N. C. C. wing of Hindu Kanya Mahavidyalaya, Jind and the Inner Wheel Club of Jind United organized an Awareness Lecture on the topic 'Personal Hygiene and Cervical Cancer' on October 3rd, 2025. The event was chaired by the college's Principal Dr. Poonam Mor and conducted by N. C. C. in-charge Mrs. Anju and member Dr. Keauty. As the keynote speaker, gynecologist Dr. Harpreet Kaur addressed the students explaining the causes, symptoms and prevention of cervical cancer. She explained that screening tests and vaccination against HPV infection can reduce the risk of cervical cancer. She added that when cervical cancer occurs, surgery is often the first step to remove the cancer and other treatments may include medications that kill cancer cells. Options include chemotherapy and targeted therapy. Radiation therapy which uses powerful energy beams can also be used as a treatment. She said that women should pay special attention to their personal hygiene and should try to improve their lifestyle. On this occasion, President Mrs. Kavita Ahuja and Secretary Mrs. Neena Gara from Inner Wheel Club of Jind United introduced the activities of their club and thanked all the members and students present and distributed sanitary pads to the students present. 21 N. C. C. cadets and 19 other students participated in this program. Assistant Professors from Mathematics Department Dr. Niketa Sharma, Mrs. Priya Garg, Mrs. Suman, Miss Purnima and Miss Meenakshi were especially present on this occasion.
