**Event: An Extension Lecture on Cyber Security**  
**9<sup>th</sup> September, 2024**

On 9<sup>th</sup> September, 2024 an extension lecture on the topic 'Cyber Security' was organized by the N. S. S. unit in the premises of Hindu Kanya Mahavidyalaya, Jind. The program was presided over by the college principal Dr. Punam Mor and conducted by N. S. S. unit in-charge Dr. Anshu. About 60 students participated in this program. The objective of the program was to give security related information to the students in the online space. The speaker was Mrs. Ritu, working as an Assistant Professor of Computer Science in the college. She made the students aware of the seriousness of the subject in a very attractive and impressive way through PPT. She explained to the students that cyber-attacks are becoming more common and complex and various types of cyber security solutions are needed to reduce corporate cyber risks. Mrs. Ritu told the students not to share OTP with any unknown person nor click on any link received in any message. She also shared information about various types of future cyber threats with the students. At the end of the program, Dr. Anshu expressed her gratitude to the keynote speaker for giving information to the students on this very important topic.
