Event: Tree Plantation Drive
4th September, 2025

On September 4th, 2025 a special and inspiring tree plantation drive, 'Ek Ped Maa Ke Naam', was organized by the National Service Scheme (NSS) unit in the premises of Hindu Kanya Mahavidyalaya, Jind. This program dedicated to a mother's affection and sacrifice, reflects a commitment to honouring motherhood and conserving the environment.

The campaign commenced with Principal Dr. Poonam Mor planting the first sapling in the name of the revered late Smt. Santosh Singla, mother of Dr. Anshul Kumar Singla, President of the college's managing committee, paying a humble tribute to her.

In her address, the Principal stated that the late Smt. Santosh Devi was like a mother to the college and by planting the first sapling in the college courtyard as part of this campaign, they were honouring her sacred memory. She also added that this campaign reminds them of their duties towards nature and their mothers. Just as a mother nurture her children and gives them life, so too do trees sustain life on Earth. By planting 'Ek Ped Maa Ke Naam,' they make her memory everlasting, express deep gratitude towards every mother, and firmly resolve to make their Earth green.

On this occasion, NSS Program Officer, Smt. Kranti, praised the enthusiasm of the volunteers. She said that this campaign would undoubtedly awaken a new consciousness towards environmental conservation among NSS volunteers and pave the way for more such campaigns in the future. She requested all NSS volunteers to plant a tree at their respective homes and send geotagged photos to the NSS WhatsApp group to maintain a proper record of the work done under this campaign.

A large number of NSS volunteers participated in this program. All collectively resolved to make the environment clean and green. This initiative demonstrates how small efforts can bring about significant change and build a better tomorrow.
