National Song Vande Mataram'
14th November, 2025

The N. S. S. unit of Hindu Kanya Mahavidyalaya, Jind organized an inspiring program on November 14th, 2025 to commemorate the 150th anniversary of the national song Vande Mataram. On this special occasion, the college principal, Dr. Poonam Mor addressed the volunteers, elaborating on the profound significance and glorious history of Vande Mataram. She emphasized that this song is not merely a tune but the very soul of India's freedom struggle and an unbreakable symbol of our national unity, connecting us to our roots.

Mrs. Kranti, the N. S. S. Program Officer managed the entire event with great efficiency and impact. The program commenced with a collective Vande Mataram singing session, in which all the volunteers and students of the college participated with immense enthusiasm and devotion. This collective singing deeply strengthened the feelings of patriotism and harmony in the hearts of the students, fostering a profound sense of respect and dedication towards the nation.

Following this, the students formed a symbolic human chain. The primary objective of this human chain was to vividly present the core message of Vande Mataram, which emphasizes national unity, integrity and brotherhood. This activity motivated the students to work together for a larger national purpose, which is crucial for nation-building. The program aimed to reinforce a sense of national pride among the students and make them aware of their duties towards the country.

The entire program concluded successfully and all the volunteers and students gained valuable lessons from this meaningful session. Principal Dr. Punam Mor heartily congratulated all the participants and organizers for this significant and successful event, commending their efforts.
