

**Department of Public Administration**  
**Hindu Kanya Mahavidyalaya, Jind**  
**Event: Adult Education Awareness Campaign**  
**22<sup>nd</sup> March, 2024**

An Adult Education Awareness Campaign was organized by the Public Administration Department of Hindu Kanya Mahavidyalaya, Jind on 22<sup>nd</sup> March, 2024 in Khokhri village under the chairmanship of the Associate Professor of Commerce Department, Dr. Upasana. The campaign was conducted by Dr. Rachna Dalal, Incharge of Public Administration Department. Dr. Upasana said that the campaign of adult education in India was started in 1956 and today the name of 'Adult Education' has been going to changed 'Education for All'. The policy, 'Navbharat Literacy Programme' has been approved for the period 2022-2027 to cover all aspects of adult education including literacy, basic education, skill development, vocational education and any kind of knowledge requirement. Dr. Rachna said that the objective of the adult education program is to provide non-formal education to children below 14 years of age as well as adults in the age group of 15 to 35 years through financial literacy, digital literacy, efficiency and to provide awareness. The college students gave complete information to the citizens of Khokri village about this new National Education Policy of the government under the Adult Education Policy. The students told them that the objective of this policy is to take the skills of reading and writing to those people who due to some reason

are not able to join school education or continue it, that is, the objective of this education policy is to provide every kind of education that they feel they need, to the people who have crossed the formal education age. Dr. Rachna and the students urged the rural people to join the new adult education policy and said that they can improve their future by taking basic education or professional education through this scheme. This will create additional confidence in their academic skills. . She also urged the youth of the village to help the adults in their homes to connect with this policy and make them understand that education has no age limit. The knowledge gained from this will also create awareness in them about community, society, health, medicine, cleanliness, economy, family etc. A total of 50 college students participated in the campaign. Village Sarpanch Mrs. Sunita Rani had an important contribution in the efficient conduct of the one-day adult education campaign conducted in the village, for which Dr. Rachna thanked him on behalf of the entire college. Sarpanch also presented a letter of appreciation to the Public Administration Department on behalf of the Panchayat. Principal Dr. Rachna Dalal said that Hindu Kanya Mahavidyalaya, Jind has adopted Khokri village for such social reform activities. Under which the college keeps organizing these types of activities in the village. Dr. Anshul Singla, president of the management committee of the college, and Dr. Punam Mor, Principal of the college congratulated the Public Administration Department on the successful conduct of the campaign.
