Department of Public Administration
Hindu Kanya Mahavidyalaya, Jind
Event: Door-to-Door Awareness Campaign Regarding 'Non-Use of Plastic and Separation of Waste'
25th November, 2023

A 'Door-to-Door Awareness Campaign' was conducted by the Public Administration Department of the college in village Haibatpur on 25th November, 2023 regarding "Non-Use of Plastic and Separation of Waste". The program was presided over by the college principal Dr. Punam Mor and it was conducted by Dr. Rachna Dalal assistant professor of Public Administration department. About 60 students of Hindu Kanya Mahavidyalaya, Jind went door-to-door in the village to tell people about the harms caused by the use of plastic and the benefits of keeping wet and dry waste separately. Dr. Rachna said that the use of plastic pollutes the environment which affects the health of them and their animals. She said that wet waste like vegetable peels, tree leaves, leftover food, fruits etc. should be kept separately and dry waste like plastic, torn old clothes, empty bottles etc. should be kept separately. We can make fertilizer and gas from wet waste whereas dry waste creates problems like air, soil, water pollution. College campaign team also informed the shopkeepers in the village about the disadvantages of plastic bags and urged them not to use plastic. To encourage shopkeepers, paper envelopes were distributed to them. Sarpanch sir also presented a letter of appreciation to the Public Administration Department of Hindu Kanya Mahavidyalaya, Jind for this campaign of the college. Dr. Rachna Dalal thanked him for his cooperation on behalf of the entire college. Principal Dr. Punam Mor said that the college will continue to organize such activities in future also so that the residents of rural areas can be made aware of social problems and they can be made partners in solving the problems. Teachers of Home Science Department, Mrs. Anu and Mrs. Tanu had special contribution in conducting the campaign.
