

Department of Physics & Chemistry

Hindu Kanya Mahavidyalaya, Jind

Event: Workshop on ‘Research Methodology: Effective Research and Innovation in Sciences’

29th February, 2024

On the occasion of National Science Day, a one-day virtual workshop was organized by the Department of Physics and Chemistry at Hindu Kanya Mahavidyalaya, Jind on 29th February, 2024. The theme of this workshop was ‘Research Methodology: Effective Research and Innovation in Sciences’. This workshop was inaugurated by the principal of the college Dr. Punam Mor and conducted by Dr. Keauty, incharge of Science department. While addressing the students she said that research is a process which never ends and today research is needed in every field. Mr. Sagar Bathla, Ph. D. Scholar (Chemical & Material Engineering) acted as a resource person in this workshop. He said that research is a systematic process of finding new knowledge. He said that while starting the research, the researcher should keep in mind that he/she should choose such a topic which provides solutions to the problem. He also discussed about the scholarship schemes as well as institutions to pursue research. Thirty students actively participated in this workshop. At the end of the workshop, incharge of the Science Department, Dr. Keauty expressed her gratitude to Mr. Sagar Bathla on behalf of the entire college. Mrs. Jyoti and Mrs. Pooja from the Science Department made significant contribution in the workshop.
