Hindu Kanya Mahavidyalaya, Jind
Event: Awareness Rally on HIV/AIDS in Khokhri Village
10th September, 2025

On September 10th, 2025 Hindu Kanya Mahavidyalaya, Jind Red Ribbon Club (RRC) organized an Awareness Rally in Khokhri village, Jind, as part of the Haryana government's HIV/AIDS awareness campaign. The program was conducted by Dr. Seema Dalal, nodal officer of the Red Ribbon Club and Dr. Pinki.

The program began with an address by Dr. Poonam Mor, Principal of the college, at the main gate. In her address, she elaborated on the importance of HIV/AIDS awareness among students. She emphasized that students not only need to be aware of HIV/AIDS themselves but also ensure their participation in spreading awareness in society, enabling all citizens to lead a healthy and happy life.

Following this, Dr. Seema Dalal and Dr. Pinki, along with 30 college students, were sent to Khokhri village for the awareness rally. Upon arrival, the village sarpanch appreciated this initiative and joined the rally, raising awareness about HIV/AIDS among the villagers.

Dr. Seema Dalal and Dr. Pinki provided detailed information to the villagers about HIV/AIDS, explaining how people can protect themselves and adopt a healthy lifestyle. They highlighted the importance of maintaining distance from certain things and being mindful of specific aspects.

At the end of the program, the villagers and sarpanch assured the staff and students of Hindu Kanya Mahavidyalaya that they would take measures to protect themselves against HIV/AIDS and adopt a healthy lifestyle by following the guidelines provided. They also pledged to spread awareness among people in surrounding villages.
