Event: Promoting HIV/AIDS Prevention Messages through Flash Mobs at Strategic Locations

15th September, 2025

On September 15th, 2025 Hindu Kanya Mahavidyalaya, Jind's Red Ribbon Club organized a program titled "Promoting HIV/AIDS Prevention Messages through Flash Mobs at Strategic Locations" under the HIV/AIDS Awareness Campaign on the occasion of International Youth Day. The program was initiated by Dr. Seema Dalal, Nodal Officer of the Red Ribbon Club, and Dr. Pinki, member, at 9 am. The program was chaired by Dr. Poonam Mor, Principal of the college. In her address, Dr. Poonam Mor appreciated the sensitivity and enthusiasm of the students towards this awareness campaign. She informed the students that spreading awareness about HIV/AIDS prevention by visiting various public places in Jind city would be an effective approach. Following this, she flagged off the campaign with all the students and Red Ribbon Club officials from the college. Under this campaign, flash mobs were organized at strategic locations such as the college's main gate, Rani Talab, old bus stand, and civil hospital, where citizens and outsiders were made aware of HIV/AIDS. Mr. Kajal played a significant role in making the program successful by providing special collaboration. Mrs. Usha Devi and Mr. Rajpal were also present on this occasion. The program was undoubtedly a successful and effective awareness campaign.
