Event: Formation of Human Chain

18th September, 2025

On September 18th, 2025 Red Ribbon Club of Hindu Kanya Mahavidyalaya, Jind organized a significant program on the occasion of International Youth Day. In this program, the college's students formed a human chain in the shape of a red ribbon, which is a symbol of HIV/AIDS prevention. The program was conducted by Dr. Seema Dalal, Nodal Officer of the Red Ribbon Club and Dr. Pinki, a member of Red Ribbon Club. The principal of the college, Dr. Punam Mor presided over the program. She explained the significance of the human chain, stating that it is an important medium for spreading awareness about HIV/AIDS prevention. The principal elaborated on various aspects of HIV/AIDS and methods of prevention to the students. She said that through such programs, we can spread awareness in society and work towards a healthy society. Through this program, the students not only gained awareness about HIV/AIDS but also understood their role in bringing about positive change in society. Appreciating the program organized by the Red Ribbon Club, the principal said that it will certainly send a good message to society and make people aware of HIV/AIDS. Thus, the Red Ribbon Club of Hindu Kanya Mahavidyalaya, Jind has taken a significant initiative that not only makes students aware but also inspires them to bring about positive change in society.
