Event: AIDS Awareness Program
4th September, 2025

On September 4th, 2025 a significant program on the toll-free helpline 1097 and AIDS control and public awareness was organized by the Red Ribbon Club at Hindu Kanya Mahavidyalaya, Jind. The program was conducted by Dr. Seema Dalal and member Dr. Pinki. The college principal, Dr. Poonam Mor presided over the program. The principal explained in detail to the students about the measures to prevent AIDS and made them aware of how they can avail themselves of the toll-free numbers. She emphasized that awareness and caution are necessary to protect one's life from AIDS and HIV. She also encouraged the students to spread awareness among the people around them. Dr. Seema Dalal and Dr. Pinki provided the students with toll-free numbers and distributed pamphlets to raise awareness about HIV/AIDS. They urged the students to distribute these pamphlets in their neighbourhoods and communities and educate people on how they can use these toll-free numbers to obtain information about HIV/AIDS and protect their lives. They also explained to the students how they can become AIDS awareness advocates in their community and play a vital role in raising awareness among others. Senior professors of the college, Dr. Geeta Gupta and Mrs. Rekha Saini, also attended the program and spoke about the importance of AIDS awareness. They shared their experiences and knowledge, playing a significant role in making the students aware and sensitive to the issue. The main objective of this program was to educate the students about AIDS and HIV and make them sensitive to the issue. All the students pledged to raise awareness about AIDS and HIV and promised to protect their lives.
