

Road Safety Club
Hindu Kanya Mahavidyalaya, Jind
Event: Awareness Program on Road Safety in Khokhri Village
17th April, 2026

Spreading the message that "Every Life Matters", the Road Safety Club of Hindu Kanya Mahavidyalaya, Jind, in collaboration with Sewa Trust U.K. (India) and Indepth Vision Foundation, successfully organized Road Safety Awareness Campaign at Village Khokhri on 17th April, 2026. Led by Dr. Rashmi, In-charge of the Road Safety Club, a team of 30 enthusiastic students educated villagers on the life-saving importance of wearing helmets & seatbelts, avoiding overspeeding and staying focused while driving.

Mr. Anil Ganghas, District Coordinator of Sewa Trust U.K. (India) and Indepth Vision Foundation, graced the event and remarked, "Our life is priceless, and ensuring its safety is our collective responsibility".

The event was also graced by the presence of Smt. Sunita Rani, Sarpanch of Gram Panchayat Khokhri, along with her husband Shri Ram Kumar Chauhan. Appreciating the commendable initiative of the college's Road Safety Club, the Sarpanch presented a Letter of Appreciation to the college. The Sarpanch couple collectively termed this awareness drive by the students as a "remarkable and much-needed step" for the village and expressed confidence that it would bring positive change in road safety behaviour among the residents.

The villagers, especially the elders, deeply appreciated this initiative. Colourful pamphlets on road signs and safety rules, specially designed by the college were distributed during the campaign. On this occasion Dr. Rashmi says we believe education goes beyond classrooms and we are committed to building responsible citizens and safer communities.
