21st February, 2024

A one-day workshop was organized by the Department of Sociology of Hindu Kanya Mahavidyalaya, Jind on 21st February, 2024. This program was chaired by the Principal of the college, Dr. Punam Mor and conducted by Mrs. Jyoti Jaglan, Assistant Professor of Sociology. 50 students participated in this workshop. The spokesperson of this workshop was psychologist Mr. Naresh Jaglan. He spoke on various topics and discussed about female feticide, dowry system, domestic violence, corruption, casteism, population, unemployment and education policy. Naresh Jaglan told that the poor cannot muster courage for change in the society, the middle class does not have time and the rich do not need it. The society takes pride in the old traditions and is not ready to learn new ones. Even today we believe in destiny instead of deeds. Many students, even today, do not believe in themselves and consult astrologers and go to temples. Unless the new generation believes in science, superstition will be encouraged. He said that only awareness and education can act as weapons to bring about the downfall of social constructs. In this workshop, students of Sociology department participated enthusiastically. The participation of students in this workshop was commendable. Dr. Rashmi Malik, Dr. Rachna Dalal and Mrs. Manisha were present in this workshop. President of the Governing Body of the college Dr. Anshul Singla Ji and Principal Dr. Punam Mor congratulated the Sociology Department for the successful organization of the workshop.
