

Electoral Literacy Club

Annual Activity Report (Session 2025–2026)

Introduction:-

The success of a democratic nation depends on the awareness, responsibility, and active participation of its citizens. Democracy becomes meaningful only when individuals are well-informed about their rights and duties and are motivated to exercise their voting rights responsibly. With this vision, the Electoral Literacy Club has been established to promote electoral awareness among students and to nurture them into informed and responsible citizens. During the academic session 2025–2026, the Electoral Literacy Club organized a series of impactful activities aimed at spreading awareness about the importance of voting and strengthening democratic values among students as well as the community. These initiatives not only enhanced knowledge but also encouraged active civic participation.

Objectives of the Electoral Literacy Club:-

The Electoral Literacy Club aims to create awareness about the significance of voting and to encourage students and society to actively participate in the democratic process. The club strives to educate young voters about their rights and responsibilities, promote ethical and informed voting, and strengthen democratic values. It also focuses on developing socially responsible citizens who are aware, engaged, and committed to contributing positively to society.

Activities Conducted by the Electoral Literacy Club:-

- **Voter Card Awareness and Registration Program (29–30 April 2025):**

A significant awareness program titled “Making the Voter Card” was organized to guide students through the process of voter registration. During this activity, students were provided with detailed information regarding the required documents, online application procedures, and the services of the Election Commission. The program ensured that all eligible students became aware of the process and importance of obtaining a voter card and exercising their voting rights responsibly.

- **Celebration of National Voters’ Day (25 January 2026):-**

The 16th National Voters' Day was celebrated with great enthusiasm and active participation. On this occasion, students took a pledge to uphold democratic values and participate responsibly in elections. Various awareness activities such as poster-making, slogan-writing, and discussions were conducted to highlight the importance of voting and to sensitize students about their roles as responsible citizens.

• **Speech and Essay Writing Competition (27 January 2026):-**

A speech and essay writing competition was organized on the theme of democracy and voter awareness. This activity provided students with an opportunity to express their ideas and perspectives in a creative and logical manner. Participants showcased their understanding of democratic principles with clarity and confidence. The competition also helped in enhancing their communication skills and encouraged critical thinking on social and civic issues.

• **Extension Awareness Lecture at Village Habaitpur (17 March 2026):**

An extension awareness lecture was conducted in Village Habaitpur in collaboration with the Hindi Department on the theme "Role of Youth in Strengthening Democracy." Around 40 students participated in this outreach activity. The program aimed at spreading awareness among rural citizens about the importance of voting. Experts delivered informative lectures highlighting the role of youth, social responsibility, and the need for active participation in democracy. This initiative effectively connected students with society and enhanced their sense of civic duty.

Conclusion:-

In conclusion, the Electoral Literacy Club successfully conducted a variety of meaningful and impactful activities during the session 2025–2026. These initiatives significantly contributed to enhancing awareness about democratic values and the importance of voting among students and the community. The club has played a vital role in developing informed, responsible, and active citizens. It is expected that the Electoral Literacy Club will continue its efforts in the future to strengthen democracy by encouraging ethical, aware, and active participation in the electoral process.
