Department of Mathematics

Hindu Kanya Mahavidyalaya, Jind

Event: Workshop on Research Methodology

7th November, 2024

On 7th November, 2024 a one day online workshop on the topic 'Research Methodology' was organized by the Department of Mathematics, Hindu Kanya Mahavidyalaya, Jind. The program was chaired by Dr. Upasana Garg, Associate Professor of Commerce. This workshop was organized by Mrs. Anju, Assistant Professor of Mathematics. The keynote speaker of this workshop was Miss Diksha, who is pursuing Ph. D. in Mathematics from Maharishi Dayanand University, Rohtak and she is also an alumna of Hindu Kanya Mahavidyalaya, Jind. Miss Diksha, in her speech, explained the process of research and shared her views in detail in a very impressive manner about the selection of the topic of the research paper, writing the dissertation, outline of research work and the importance of research in the field of study. She told what is the purpose of the research report. If the report is not good, then we will not be able to take our research in the right direction. Apart from this, Madam also shed light on the types of research design. She made the students aware about how to do good research, what are the qualities of good research methodology and the problems faced while doing research. About 50 students of the college participated in this workshop. On this occasion, Mrs. Anju, Dr. Niketa Sharma, Mrs. Aarti, Mrs. Suman, Miss Sonia, Miss Shivani from Mathematics Department, Mrs. Neelam from Political Science Department and Miss Surbhi from Computer Science Department were present. President of the Governing Body of the college Dr. Anshul Singla ji and Principal Dr. Punam Mor ji congratulated the Mathematics Department for successfully organizing the workshop and encouraged the students for participating in this type of workshops in future also.
