Event: Workshop on Data Handling on Learning Management System
29th January, 2024

The Internal Quality Assurance Cell of Hindu Kanya Mahavidyalaya, Jind successfully organized a one-day Virtual Workshop on Data Handling on Learning Management System (LMS) on 29th January 2024. The workshop aimed to provide valuable insights into various e-learning platforms such as MOODLE, e-Class, Google Classroom, Gnomio etc. with special focus on MOODLE.

Dr. Girdhar Gopal, Assistant Professor in Computer Science at S. D. College, Ambala Cantt., acted as the resource person for this virtual workshop. With great expertise, he delivered a comprehensive explanation of the e-learning platform MOODLE, which is India's greatest learning platform.

During the workshop, Dr. Girdhar Gopal discussed each module of MOODLE LMS, including the book module, uploading of PDFs, URLs, assignments, quizzes, and provided an overview of the discussion forums. He imparted both theoretical and practical knowledge to all the faculty members. He also emphasized the need to switch from traditional classrooms to e-classrooms, highlighting the importance of embracing online learning.

Dr. Geeta Gupta, the coordinator of IQAC, welcomed and proposed the vote of thanks to Dr. Girdhar Gopal on behalf of the organizing committee, expressing gratitude for his valuable contribution to the workshop. She also acknowledged the active participation of the faculty members.

The one-day workshop on Data Handling on LMS was a resounding success, greatly enhancing the knowledge and understanding of the faculty members at Hindu Kanya Mahavidyalaya, Jind. Dr. Punam Mor, the Honourable Madam Principal, congratulated Dr. Geeta Gupta, the IQAC Coordinator for organizing such a successful event.
