18. Objectives (100 Words)	<p>The objectives of "Step Out and Innovate" on National Innovation Day are to inspire creativity and promote a culture of innovation across various sectors. This initiative aims to encourage individuals and organizations to explore new ideas, adopt cutting-edge technologies, and collaborate for sustainable solutions. It seeks to raise awareness about the importance of innovation in driving economic growth, enhancing productivity, and solving social challenges. Additionally, the program focuses on fostering an entrepreneurial mindset, providing platforms for knowledge sharing, and celebrating success stories to motivate others to take bold steps towards innovation and improvement.</p>
19. Benefit in terms of Learning/Skill/Knowledge obtained (150 Words)	<p>The "Step Out and Innovate" theme on National Innovation Day aims to yield several impactful outcomes. First, it fosters a robust culture of creativity and innovation across industries, encouraging individuals and organizations to challenge conventional thinking and explore new solutions. This initiative enhances collaboration among diverse sectors, leading to the sharing of ideas and best practices that drive collective progress.</p> <p>By highlighting real-life success stories, it inspires entrepreneurs and innovators to take risks and pursue their visions, ultimately spurring economic growth. The initiative also promotes the importance of research and development, positioning innovation as a key driver in addressing global challenges, such as climate change and public health crises.</p> <p>Furthermore, it aims to equip participants with essential skills and tools, nurturing a future workforce that is resilient, adaptable, and prepared to navigate the complexities of an ever-evolving landscape. Ultimately, the initiative strengthens community engagement and unites individuals in the pursuit of transformative change.</p>

Report

Hindu Kanya Mahavidyalaya, Jind, organized a one-day workshop on the theme “Step Out & Innovate” to celebrate Innovation Day on 15th October, 2025. The event was jointly conducted by the Institution’s Innovation Council (IIC) and the Department of Economics. The programme commenced with an overview of the workshop by Dr. Keauty, followed by a warm welcome address by Dr. Priyanka Sahni. Principal Dr. Punam Kajal encouraged the students to move forward with creative and innovative ideas. On this occasion, Dr. Geeta Gupta paid tribute to Dr. A. P. J. Abdul Kalam on his birth anniversary and highlighted his remarkable contributions as a scientist and visionary leader. In the **first session**, **Dr. Anupam Bhatia**, Associate Professor, Department of Computer Science and Applications, Chaudhary Ranbir Singh University, Jind, delivered an insightful talk on “Design Thinking for Sustainable Innovation.” He explained the process of design thinking and its importance in developing creative and practical solutions for sustainable growth.

In the **second session**, **Dr. Priya Sangwan**, Assistant Professor, Panipat Institute of Engineering and Technology, spoke on

“Innovation Begins with You: Personal Branding in the Digital Age.” She emphasized the importance of personal branding and the positive use of social media platforms to showcase one’s creativity and innovation potential.

The **third session** was conducted by **Ms. Monika Dhiman**, Assistant Professor, PIET, Panipat, who shared valuable insights on “Cyber Security for Startups.” She discussed the growing importance of cybersecurity in today’s digital age and highlighted preventive measures against cyber threats such as phishing, malware, and data breaches.

The event concluded with a vote of thanks by Dr. Seema Dalal and Dr. Pinku, followed by the presentation of appreciation letters and mementos to the speakers by Dr. Punam Mor and IIC members. The workshop was successfully coordinated under the guidance of Dr. Priyanka Sahni (Convenor, IIC & EDC) and Dr. Geeta Gupta (Vice President, IIC). It proved to be a highly inspirational and enlightening experience for the students, motivating them to think creatively and contribute to the field of innovation and entrepreneurship.
