<b>18. Objective (100 Words)</b>	<p><b>The objective of the outreach programme on Innovation &amp; Entrepreneurship is to spread awareness among school students about the importance of innovation, creativity, and entrepreneurial thinking. It aims to introduce young learners to the basics of idea generation, problem-solving, and self-employment opportunities. The programme seeks to motivate students to develop a proactive mindset and understand the role of innovation in personal and national development.</b></p>
<b>19. Benefit in terms of Learning/Skill/Knowledge obtained (150 Words)</b>	<p><b>This outreach programme helps students gain early exposure to the concepts of innovation and entrepreneurship, encouraging them to think creatively and independently. It enhanced problem-solving skills and builds confidence to explore new ideas and opportunities. The interaction with educators and experts provides valuable guidance and inspiration for future career paths. It also promotes awareness about self-employment and startup culture, motivating students to become job creators rather than job seekers. Additionally, the programme strengthens collaboration between educational institutions and schools, fostering knowledge sharing and community development. Overall, it contributes to shaping young minds into innovative thinkers and future entrepreneurs.</b></p>

## Report

On December 10, 2025, a lecture was organized at the Government Senior Secondary School, Kinana, under the joint auspices of the Institutional Counting Council and the Department of Music Vocal of Hindu Kanya Mahavidyalaya. Approximately 120 students participated in the event. Serving as the keynote speakers for the lecture were Dr. Keauty from the Department of Music and Mrs. Kirti Bansal from the Department of Commerce.

In their addresses, they discussed new dimensions and the contemporary relevance of the lecture format for the youth. They further enriched their presentations by incorporating various illustrative examples to make the session more engaging. Students actively participated in the session by asking questions, and the program concluded with the school's Building and Program Coordinator extending a vote of thanks to the team from Hindu Kanya Mahavidyalaya. The event drew to a close after the students filled out the feedback forms provided to them.
